

## MIRACLE HILL MINISTRIES PATCH PROGRAM

To earn the service patch for Miracle Hill Ministries each girl must collect the indicated amount of items for their age level. The attached list is only a suggestion for what might be needed at different times of the year. These items should be new. Otherwise, you may choose to collect gently used clothing or household items for the Miracle Hill Thrift store. If collecting used items, each girl will need to collect at least two plastic grocery bags full of items to earn the patch. Miracle Hill is a wonderful organization that helps local families and people in need. Please take the time to find out what Miracle Hill is doing in the upstate. Each patch cost \$1.50 each. Once items are collected, please have leader contact me with details of the service and the number of patches needed. Also, feel free to contact me anytime during the year if you want to do a service project for Miracle Hill and want to know what their immediate needs are.

Number of new items per girl:
